

# Welcome from Class 10.1

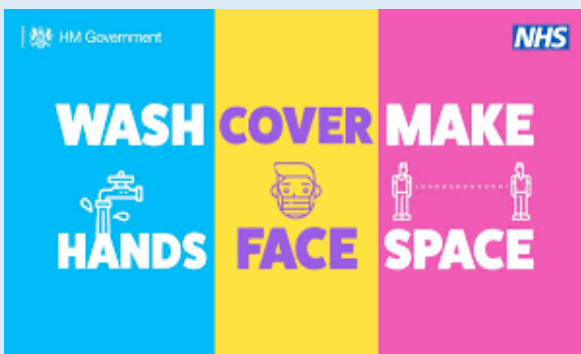

What a start to another record Term!!! At school, not at school, National Lockdown...AGAIN. But, there is plenty of excellent news from Class 10.1. We have 90% attendance on our Remote Learning Video lessons, allowing us to continue to complete work and set tasks, and have a few fun endings to lessons with quizzes and Kahoot. Overall, We are completing work during lockdown in ways we never thought we would have to do.

Helen and I are very proud of each and every one of you.

We continue to deliver work packs and collect completed work each week which is making a massive difference to how much learning is packing place. I have seen some amazing results over the past few weeks, especially from Options classes. Recipes from cooking classes, maths and English being completed to high standards. All this in preparation for our Annual Reviews that are taking place at the beginning of next term!

Please remember to respond to your invitation to attend.
