#### March

3rd- EHCP day for Y12  
17th—Army Careers Day  
31st - INSET Day

#### April

1st - INSET Day and end of term 4

### Well done and keep going!

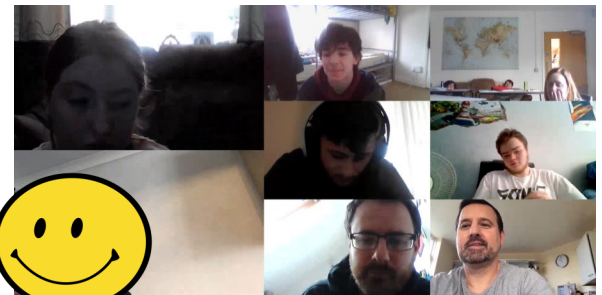

Well done everyone in Post-16 for persevering through another lockdown. We appreciate how difficult it is and want to congratulate all students who have been joining in, and completing and submitting work.

If you're struggling with Teams please ask for support. If you can't edit documents online you can always send in photos of work you have done on paper.

Hopefully it won't be too much longer until we can all be back in school.

### Boxing

This term we have had Empire Fighting Chance have been in school doing mentoring and Boxing workshops with students which has been very popular.

### Teams Lessons

Well done to all students who have been attending Teams lessons online. It has been great to keep in touch via the Internet and see what you have been up to.

A reminder that on Wednesdays, Thursdays and Fridays we have Learning Support on Teams at 10:30am for anyone with questions about their set work, and a WoW lesson at 1pm.

### Vocational Studies

Some students studying Construction, Art and Motor Vehicle have been in the workshops working towards the practical elements of their qualifications. Well done to Riley, Josh PW, Barnes, Aisha, Kirren and Deven who are well on the way to passing their courses.

### WoW

In WoW (Ways of Wellbeing) this term we have been learning about Dreams and Goals and working towards the ASDAN certificate in Beliefs and Values. We have covered online lessons looking at the Environment and Crime and Punishment, thinking about renewable energy and why we have laws. We have also enjoyed word and communication games and quizzes.
