

Lodge Newsletter March 2021

A huge 'Welcome Back!' to everyone from the Lodge.

It's lovely to see everyone's faces again.

We are currently getting ready to re-open the Lodge on the 17th of March, gearing up for the Duke of Edinburgh pupils to use the Lodge as their base, whilst they do some serious cycling around Bristol – good luck to all of those pupils.

We also are getting ready to employ some new staff after Jamie-Lee (maternity) and Louis Allgood (pastures new) have moved on to new and exciting things.

Sara and myself will still be here supporting pupils to have fun at the Lodge – we can't wait to welcome you all.

Due to this we will only be opening two days a week for the remainder of the term. Once we welcome our new staff we will be open again for the full four days a week.

By the end of this term we will have seen our newest pupils from 'Primary Hub' joining us for the first time; Sara and I are really excited to welcome you for your first stay.

Be well, stay safe and see you all very soon

Sara and Paul
