

Dear Parent/Carers,

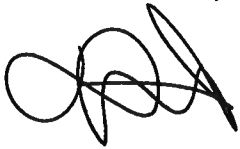

I am writing to let you know that I will be returning to Australia with my family on a one year sabbatical from December 2021. In my absence Kate Lee-Wells has been appointed as the Headteacher of Knowle DGE and will be starting in post from 1st September 2021.

From September until December I will be supporting Kate and the Central Learn@MAT team.

Other news by the end of this week we will confirm with you and your child class list and staff for next academic year. We were hoping to have a transition morning before the end of term however Covid has prevented us from doing this. Therefore in September we will revisit transitions with inductions. More information on this to follow shortly.

If you would like to discuss any of the above please get in touch.

Yours sincerely,

D.Ewings

Outgoing Headteacher Knowle DGE
