Green Class News Letter For End of Term 2

Term 2 has been a productive term with lots of exciting events happening. Green class were actively involved in all of it.

Harvest Presentation Service.

We had a wonderful assembly and our special guest was Miss Teen Great Britain 2018/19, Imogen Chapman. She received the Harvest foods and took them onward to BOSH (Bristol Outreach Services for the Homeless)

Our very own Troy was the host and did a wonderful job.

Christmas Concert

Yesterday was our Christmas concert which green class were a part of. It was a huge success. The performers and audience all seemed to enjoy the show.

Needless to say, we have a great deal of talent here at our academy.

Watch this space for the next big

Remembrance

With Miss Teen

Hope that you all have a fabulous Christmas and a very happy new year. We look forward to seeing you back in the Learning Centre on Monday 7th January 2019. Many Thanks

Amanda and Sara
