

Aqua Class Newsletter

Term 3

Dear Parents/Carers,

Another term gone! I cannot put into words how happy and proud myself and Laura are of Aqua class as a whole. We had another successful term where the highlight has been attendance. Every single member of Aqua class has improved their attendance enormously. This is a great achievement as some students had very poor attendance. So well done to everyone for helping our young people to achieve this. Next term we will be considering attendance for the end of term trip again, so please remind the students to keep up the good work. In addition, we have incorporated yoga weekly into one of our WOW lessons at the end of the day. Aqua loves it and helps us all to keep our minds and bodies healthy.

The theme for next term across the curriculum is "Nature and the Elements". Extreme weather and the fire of London are some of the subjects we will be learning about. In addition, there will be a small change to our class timetable. One of our PE lessons will change from Thursday to Friday afternoon and it will be shared with Blue class doing den building, swimming and walking in the woods. We are really looking forward to it. Enjoy Half term!!!!

Acknowledgement

Thank you to everyone who supported our coffee afternoon last Thursday to raise money for our Partner School in Kenya. We managed to raise over £60 in 1 hour. Well done everyone!

Important Dates

**TERM 4: Monday 25th
February – Friday 5th April**

**March 22nd – In-service
Day**
