

Term 3

PURPLE CLASS

Really great work in Maths this term. Well done!!

Preparing for next steps

Purple class have met with the Careers Advisor from New Mango to talk about the courses they want to study if they go to college and the jobs they could get when they finish the course. They have made their plans and are now working towards their goals....

This Term in Give WOW lessons we planned an event to raise money for Pengani Early Years Project in Kenya. We had a talk from someone who works with the project who brought in money from Kenya. They found out that 100 Kenyan Shillings is less than £1. The Hub raised money for the project by organising a Coffee Afternoon and Purple Class worked together to write a letter to the students in Kenya telling them all about what they enjoy about school

Dates for Next Term
