

Newsletter 8.2 Term 3

8.2 are raising funds for 'Secret World' as part of 'GIVE' charity awareness. During our visit we looked at deer, foxes, owls etc, and the impact of litter and people on them. 8.2 decided to make chocolate hearts to sell and to do a sponsored silence. We have raised £62 from our sponsor money and donations.

Within wow sessions 'Be healthy' we have explored firstaid including bleeding, bites, broken bones, burns and identified how to help others.

First aid for cuts, scrapes and bruises

Alfie is our top Attendee with 100%
Well done, Alfie!

Trips out as part of Wow have included areas around Bristol landmarks, Grimsbury farm and Secret world.

We explored litter in our environment, and the impact on our health, animals and the fines given.
