Our students are CONTINUALLY being challenged in many subjects such as English, Maths, Science, Physical Education, Land Studies, Construction, Motor Vehicles and Catering/Hospitality.

Well done to all students and keep up the good work.

Please parents/carers/guardians - remind your child that they (and others in class) will benefit from no mobile phones or gaming consoles during class time - it is a major distraction!!

Thank you for your support.

## Rewards Trips

This term we have had 3 students making it to their reward trip, either Belong or Showcase Cinema, due to high points. Let's keep earning those points so that we can all go on the next one!!!
