

Yellow Newsletter Term 5

Yellow class have enjoyed learning all about The Jungle Book this term. In English we read and watched the story of the Jungle Book. We created our own characters, diaries and stories. In Geography we have learned all about tropical rainforests around the world. In Science we have been learning lots about living things and life cycles. In Maths, we have been learning all about fractions and time. Any practise you can do with your child to help them tell the time would be brilliant!

This term we have had a great time playing Wheelchair Rugby. We have been so impressed with how well the children have got involved, worked as a team and developed some amazing skills!

Next term, we will start Rugby coaching on a Tuesday. Please ensure children have their P.E kit with them every Tuesday. We will be going swimming every Monday morning (apart from the first week back). Please make sure children have their swimming kit and a towel for these sessions.

Next term our topic is 'People who help us'. We will be learning lots about jobs in the community and will have some special visitors. In WoW, a lot of our learning is centered around the outdoors and caring about the environment in our community. We will continue to revise telling the time before moving onto shape and measure in Maths.

We are looking forward to lots of special trips next term. As well as swimming, we will be visiting the Redpoint climbing centre for two climbing sessions on the 6th and 27th June.

We have a cinema trip coming up in June (dates to be confirmed) and are also planning on a trip to Noah's Ark as well as a whole school trip to Brean on the 17th July. More information will be sent out next term.

Days to remember:

Start of Term: Monday 3rd June
