

# Aqua Class

Hello everyone!

Term 5 is nearly over and we are soon entering term 6, the final term!!!

Term 5's topic has been "The Jungle Book". Our young people have been looking at Jungle animals, drawing them and researching information about them. We have also been learning about the Maya civilization and where all the rainforests around the world are.

Term 6's topic for us will be "People who help us". We will be learning about all that people in the community that help us when we most need them: doctors, firefighters as well as learning about the buildings associated with them. We are hoping to have some of these amazing people visiting us and talking to the students face to face.

**As we know, Summer Term is a busy term full of events and exciting activities. Keep these dates handy.**

**Enjoy Half Term!!**
