Green Class News Letter For End of Term 5

Term 5 has been a shorter term, but
still packed with lots going on.

Duke Of Edinburgh

Troy Lord, one of our Green Class Students was lucky enough to go away with other learners on staff last week. We are told that Troy had a very successful adventure and that he was very helpful whilst away.

Well done to Troy

End of term trip

Tomorrow 22nd May 2019 we will be going to Blaise Castle for a day out with Upper Discovery classes.

In English Green Class
have been learning
about Limericks.

They have also been writing their
own individual stories.

The Performing Arts students have been devising a piece of theatre titled "Away" which they will be performing in Term 6.

We hope that you have an enjoyable week off and look forward to hearing all about when you return for Term 6

Many Thanks

Amanda and Coral
