

# G3 Term 5 Newsletter

This term we said goodbye to Louis who now works at our reopened Lodge. We welcome Tobbi to G3 and hope he enjoys working with us.

Mrs Davis  
Tobbi Fayemi

## Topics

Our topics this term were The Jungle Book and the Rainforest. We have enjoyed researching rainforests and jungle animals on the internet and have made some good documents and presentations. We have continued to visit Leigh woods to make dens and explore the woodland; this will continue next term.

We have been working really well in Maths this term and have revised shapes and money. Next term we will be focussing on time.

In term 6 we will be looking at reproduction in science. We will also be discussing sex and relationships in PSHE. This is part of the national curriculum and will follow the guidelines set out by the school.

## Dates for the diary:

Mon 17 June: Inset day  
Wed 3 July: Summer show  
Wed 10 July: Summer fayre  
Wed 17 July: Brean trip

More trips are being booked; look out for more information soon.

## Star Students

Congratulations to Henry and Lillie who were our top point earners.

Well done to everyone who went to Blaise Castle Park. We had a fantastic day and everyone behaved brilliantly.
