

Post-16 at Knowle-DGE Academy is a Key Stage 5 provision which caters for students preparing for college and life after school.

We are a specialist provision who work with young people with varied needs. Our students have many different requirements ranging from Speech & Language Communication Needs to Social Emotional and Mental Health needs We offer post-16 places with the opportunity to study many different subjects. Photography, Motor Vehicle Maintenance, Performing Arts, Land Based Studies, Construction, Resistant Materials, Sports Leaders, Duke of Edinburgh Award, History, Art, including English and Mathematics at various levels. In addition to these subjects, we encourage students to participate in our courses focussing on the essential life skills needed for a young person.

We offer a bespoke “Work Experience” programme which has seen students working in the “Motor Trade”, “Retail Sector”, “Gardening” and “ Domestic Services”. Our students are supported by our careers progamme which include several work place visits per year, independent career advice and a focused individual career plan.

All our students leave our provision with qualifications and a moving on plan which will include college, work or further education training.
